Dear Ladies,

The Executive Board that you elected for this coming year has dedicated themselves to planning a wonderful year of programs and activities. We've recently been working hard on our annual autumn events:

**Holiday Bazaar** at the Windermere Town Hall on Saturday, October 11th. We hope to be able to write a big check to the **Russell Home for Atypical Children** to help them buy their new building.

**Festival of Trees** at the Museum of Modern Art the week of November 15—23. Our decorated tree will be there with all of the other gorgeous holiday trees. This exhibit really puts you in the holiday spirit. All proceeds go to charity.

To all our renewing members: please extend your hand to the new members as they attend activities, clubs and luncheons so they can see what a wonderful organization WOW is. To our new members: welcome and join in the fun and the opportunities to serve others less fortunate. I'm sorry to have missed our first luncheon but I had a family emergency.

Thanks,

Solly Haber, President

**Ladies Needed to**

A few of our activities are in need of new members in order to even up the numbers or fill the last seat at a table. Some would like to have you available as a sub if a regular commitment is unworkable for you right now. Contact information is in the chart below.

**GOLF**—takes the summer off and is now ready to get organized for play starting in October.

**PAN**— is a pretty new game that the ladies just learned. It's easy to learn, lot's of fun, and the group needs one more lady to join.

**Mah Jongg**—needs a few new members. At least one of the groups does. Call and find out.

**500** - Jayne Williams and her husband Dane would like to get together to play 500 with other couples. One lady called but Jayne misplaced her number.

**Where Do We Get Those Flowers?**

A big WOW thank you to Inez Garram-bone who has been ordering, picking up, and bringing the flowers to the luncheons for years and years. No matter who the Board members are, what the program is, or where the luncheon is held, she picks up the posies for the ladies of WOW. When she is out of town, Maureen Toole subs for her and delivers our flowers to the luncheon. Thank you ladies. Thanks also to our West Sand Lake Publix, our source for all the beautiful flowers that help us recognize our new members and birthdays celebrants each month. We sincerely appreciate the efforts of their florists who pick the healthiest blooms and then add their creative touch to make them truly special. All this and a great price, too. Of course none of this would be possible without the support of their manager, Steve Hungerford. Be sure to stop by and acknowledge these wonderful people.
