Dear Ladies,

Well two years is drawing to a close and I have enjoyed being your President. It was made easier by having a fabulous Executive Board. Hopefully we have accomplished things that the membership enjoyed; we have had some wonderful luncheons and programs. One of our best was the Auction in January, our Fashion Shows were great, and we had some great speakers. The attendees at the luncheons seemed to have a good time and participated in all with enthusiasm.

Next year will be a stellar year with a new Executive Board that is outstanding!!!! We have many activities planned for the year 2012-2013 and hopefully you will all get behind them to make each one successful. Our membership has always stepped forward when called upon and that is just one of the things that has made WOW such a success year after year.

We would also like to thank you for supporting our charities to help the less fortunate. Every little bit does help! We look forward to seeing you at the May Luncheon for the installation of our new Executive Board. Please come out and support them!
