Dear Ladies,

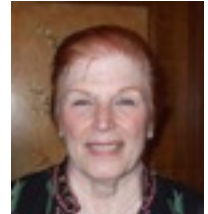

If you didn't make it to the November luncheon, you missed a wonderful meal. The management was friendly and the service was very personal. I think we may be going back there next year.

At the December luncheon which is at Westerly's, we are going to have a mini fundraiser. It will be as simple as 1-2-3. One, buy a \$5.00 green ticket. Two, pick a bag off the Christmas tree. Three, claim your prize. The Grand Prize will be a gold coin worth about \$130.00. Also if you have anything that is new and you would like to donate, please call me (352-242-0098). This will be our re-gifting event for this year since we will not be having our auction next month.

If you have anything on your mind that you think the board should know about, please get in touch with the proper person. For luncheons and programs call Elaine or Mary; for activities, call Betty, and for membership, call Kim. You can call me for anything. I hope you have a very blessed Christmas.

Fondly,

Aurie Bremer, President    momaurie@aol.com    352-242-0098,    cell 407-456-4329

Also, 4 dozen bottles of **Matthew's Hope HONEY** were sold at \$8 for 12 ounces. \$384.00 was donated from the Honey sale to our annual charity, Matthew's Hope, with additional cash and check donations of \$200. Thank you to all the WOW members and friends that contributed to these charity projects.

At our **December Luncheon**, we will collect for our 2nd nominated charity **FREE**. (Faith Re-Entry Enterprise).

Hello Ladies, Happy Holidays!! When you are cleaning out your jewelry box to make room for your new gift jewelry, please remember WOW. **SHORTCUTS** you will use.

Is the **print too small** on your webpage or document to read comfortably? **Hold** down the Ctrl key and **roll the wheel** on your mouse to **increase or decrease** the size of text.

More Shortcuts: **hold down** the CTRL (**control**) key and **tap** the letter indicated.

**Ctrl + C** will copy the highlighted text or selected item.

**Ctrl + X** will cut the highlighted text or selected item

**Ctrl + V** will paste the text or object that you just copied or cut in the new location that you clicked your mouse

**Ctrl + Z** (the "Whoops key") will undo any change you made to a document. For example, if you cut text, pressing this will undo it and put the text back. This can also often be pressed multiple times to undo multiple changes. This shortcut is great for those accidental changes you make and want to undo.

**Ctrl + Y** would redo the undo.

**Ctrl + S** will save a document you're working on. Do this frequently while you are working.
